Dear Sir/Madam

I'm writing this letter to recommend the services of Melbourne Commercial interiors over the past Seven years Melbourne Commercial Interiors have delivered many projects to Degani on time, on budget and with no defects. Melbourne Commercial Interiors (MCI) have demonstrated their vast experience and knowledge within the building and shop fitting industry. As a brand Degani stores vary in size from small kiosk to large big box stores which MCI have built and deliver on every occasion to the highest standard possible. Stephen and Mark professionalism, flexibility and ability to work with us and our clients is second from none. I would highly recommend Melbourne Commercial Interiors as a shop fitter or builder for any projects that you may have. I am more than happy to talk with you directly should you have any further questions relating to their business and inability to provide a service and high-quality build that will be more than satisfied your requirements.

Kind Regards

James Marshall
